Dear Mr. Dominach:

Attached is your acknowledgment of receipt for the Tide Water Baling Site Administrative record, which I have signed and dated. I will not release this document to the public for review until the factual errors are corrected.

The same error occurs in each of the three different documents of the administrative record: 1. Document 2.3.0020 at II B.; 2. Document 2.4.0010 at 1.3; 3. Document 4.1.0010 at I. Please make this change to the administrative record and forward the amended copy to my attention.

With regard to the swimming pool site which was being excavated I would advise you no buried barrels were uncovered at this site.

Thanking you for your anticipated cooperation, I remain

Very truly yours,

Alvin L. Zach, P.E., L.S., Director
